Dear David Chadwick,

Thanks very much for the copy of the new printing of Thank You and Okay. Since I'm just here in New York for a visit of a couple of months, I don't have my old copy with me and can't check to see what has been changed. But I'm very pleased that the publishers are keeping the book in print. It's just about the best thing I know of in print on Zen study in Japan.

I hope everything is going well with you these days. Thanks again for the book.

I expect to be back in Japan around the end of the fall. My address there now is Sakura Mansion 516, Komatsugawa 2-10-1, Edogawa-ku, Tokyo 132 in case you should ever be passing through.

All the best,

Burton Watson
