

1/13/98 phone to Yuki Ishimatsu
page one/two - letter from US Consul
to SR saying what he needs to get
visa and saying tourist visa no good,
-go to hospital to get check up (Bluff Hosp) -
cost about 5,000¥. Dated 4/7
Signed Takahashi Yuki

3rd page from SR's notebook says Kancho
gave him 5,000¥. Says announcement
said 8 hrs. from Wake Island to Hawaii -
set your watch ^{back} an hour. He said
something in jp + then in English

The doodle is from a poster he
saw at Yokohama on 5/20 -
probably sending stuff off on boat
for US.

It was hard for Yuki to read
page 3 and it all bored him
so we didn't do any ~~pp~~ word by
word translation.
