Dear Mr. Grahame and Mrs. Hideko Petchey
I went to National Diet Library. I found the newspaper of May 18, 1904.
It's difficult to read completely for me, cause of old style Japanese.
I sent the Chigasaki weather station meteorological statistics by e-mail.
And I received your return mail. But I couldn't open the attached file.
I sent the meteorological statistics with the newspaper in this mail again.

Sincerely,

PS
